

Series of Exercises as Specific Type of Competence Development of Foreign Language Teacher

O.V. Usachova

Tambov State University named after G.R. Derzhavin, Tambov

Key words and phrases: activity base of teaching; dialogue; natural communicative exercises; productive; reproductive; receptive; series of exercises.

Abstract: The series of exercises must contribute to the improvement of learning in teaching process. The brief and shallow retrospective analysis of the series of exercises in teaching a foreign language has principal meaning for understanding of the fact that present-day methodology is focused on the personal activity based teaching.
