

The Principle of Permissive Rule in Civil Process

N.K. Krasnoslobodtseva

Tambov State Technical University, Tambov

Key words and phrases: alternative dispute resolution; civil process; permissive rule; principle of personal freedom; procedural law.

Abstract: The author describes the manifestation of permissive rule in civil process. The permissive rule is presented as a theoretical construct, the contents of which are special techniques, methods and tools. The conclusions on the manifestation of permissive rule in procedural law have been made.
