

The Constitution of the Russian Federation – the Constitution of Transitory Society

V. V. Goshulyak

Tambov State Technical University, Tambov

Key words and phrases: Constitution of the RF; constitutional model; constitutionalism; democracy; law; liberalism; reform; transitory period.

Abstract: The paper considers the transitory condition of the Russian Constitution; the incompleteness of the constitutional process in Russia has been stressed. It is claimed that the democratic potential of the Constitution of RF hasn't been realized in full, it is the legal basis for the development of civil society in Russia.
