

Constitution in the Legislation of the Russian Federation

E. B. Krutko

Tambov State Technical University, Tambov

Key words and phrases: Constitution; constitutional regulation; constitutional responsibility; human rights; humanization of law; juridical principle; legal regulation; legal relations; legal requirements; legal system; legislation; public relations; system of principles of law; unification of law.

Abstract: The paper analyzed the place and role of the Constitution of the Russian Federation in the Russian legislation; the author identified priorities, features and limits of constitutional regulation of social relations. It is noted that the Constitution of the Russian Federation, as a basis of the current legislation, time determines the development program of the current legislation. The conclusion about the need to enhance the role of constitutional and legal relations in the mechanism of legal regulation of social relations has been made.
