Methods of Effective Teaching Spelling Rules at the Lessons of the Russian Language

M. Kh. Khodzhieva

Tajik State Institute of Languages named after S. Ulugzoda, Dushanbe, Republic of Tajikistan

Keywords: literacy; didactic material; dictations; fastening; training in writing; spelling rules; cheating; exercise.

Abstract: In this article, the author touches on the issue of teaching spelling through spelling exercises. The author comes to the conclusion that the rule organizes teaching writing, but in itself it does not lead to the correct writing, which should be trained through extensive exercises.
